Spring 2013

Camden Balustrade

London

This client required a balustrade that was a faithful replica of original balcony balustrades in the area. We altered the design slightly to comply with current building regulations. We also assisted by providing photo montages of the design in position for the client to review prior to manufacture.

The following pages illustrate the process from design, to production and manufacture.

*Peter Weldon.*

Peter Weldon.

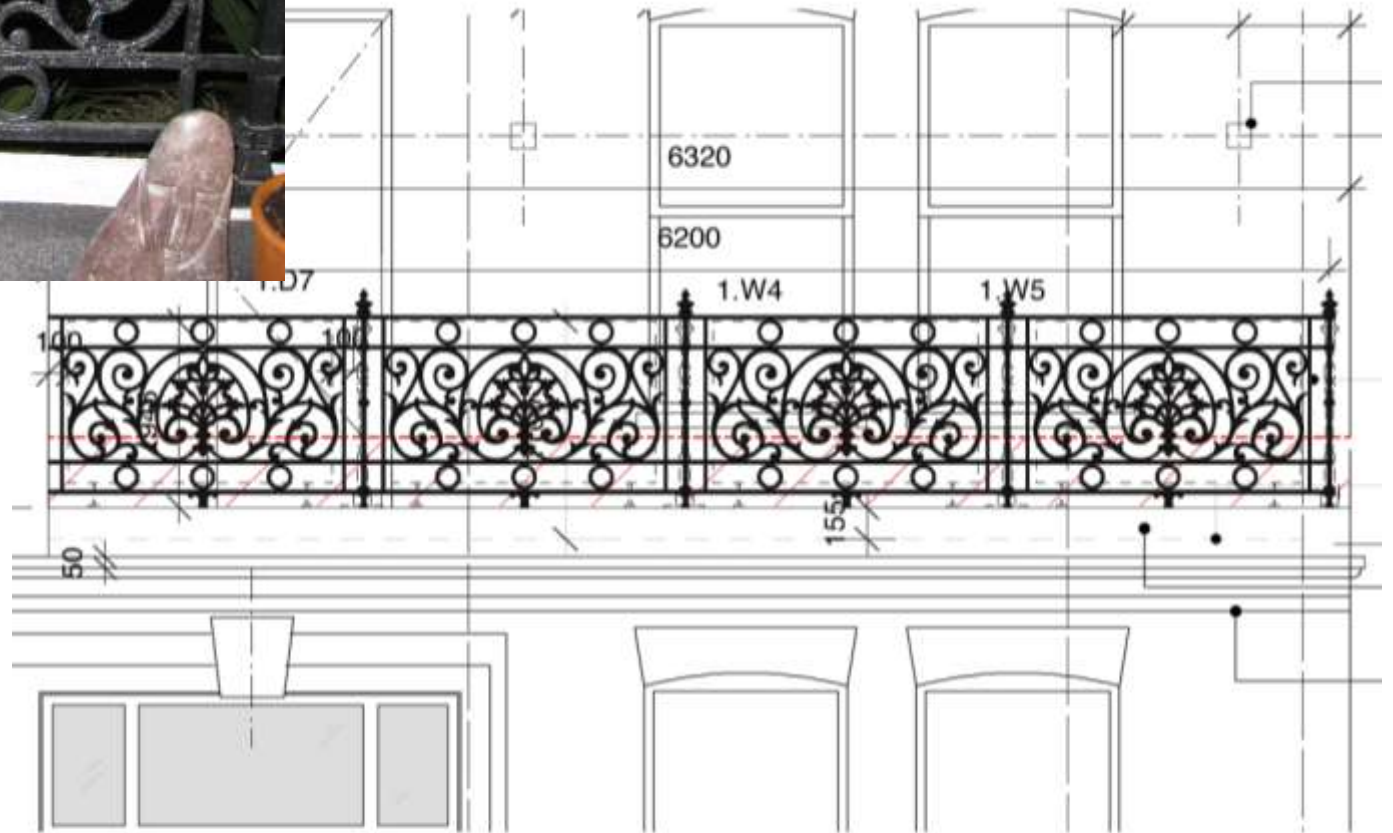

Replica balcony balustrade manufactured and installed by Peter Weldon Iron Designs.

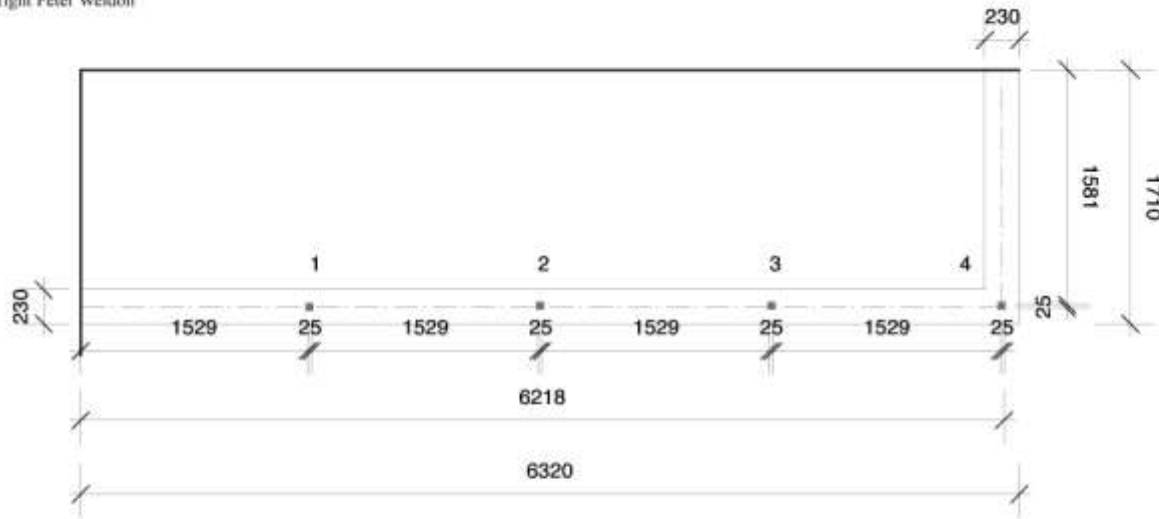

Original balustrade in the neighbouring area.

Technical drawing showing position of core drilling holes.
