**The Cubley Hall Bandstand—**

By Peter Weldon Iron Designs Ltd.

The Cubley Hall Hotel is located on the edge of the Peak  
District Tel: 01226 766086

Peter Weldon Iron Designs can design to your requirements with pencil sketches, photoshop and DWG files. Custom mouldings can be created using our skilled model makers to replicate shields or motifs. The structure can be created from steel, cast iron, cast bronze, copper, aluminium, fibreglass and timber. The following images illustrate the Cubley Hall Bandstand, Penistone, Sheffield, South Yorkshire, S36 9DF. This project was commissioned by John Wigfield proprietor, and the bandstand was installed during 2008
