Summer 2014

Walcote Fields Farm

Leicestershire

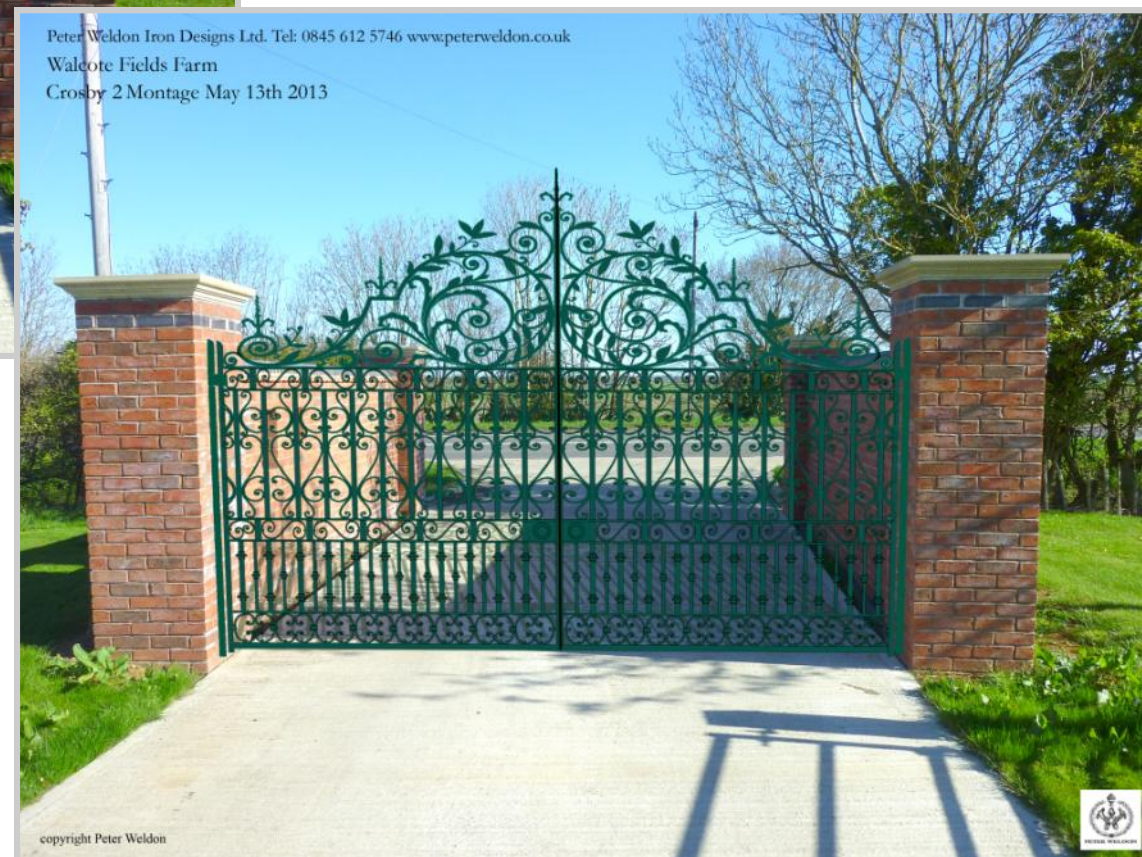

This client required entrance gates to their farm and requested a replica of nearby Dingley Hall gates .We assisted by providing photo montages of several design options in position prior to manufacture. These were reviewed by the client until we found the precise design and dimensions that complemented the surroundings correctly.

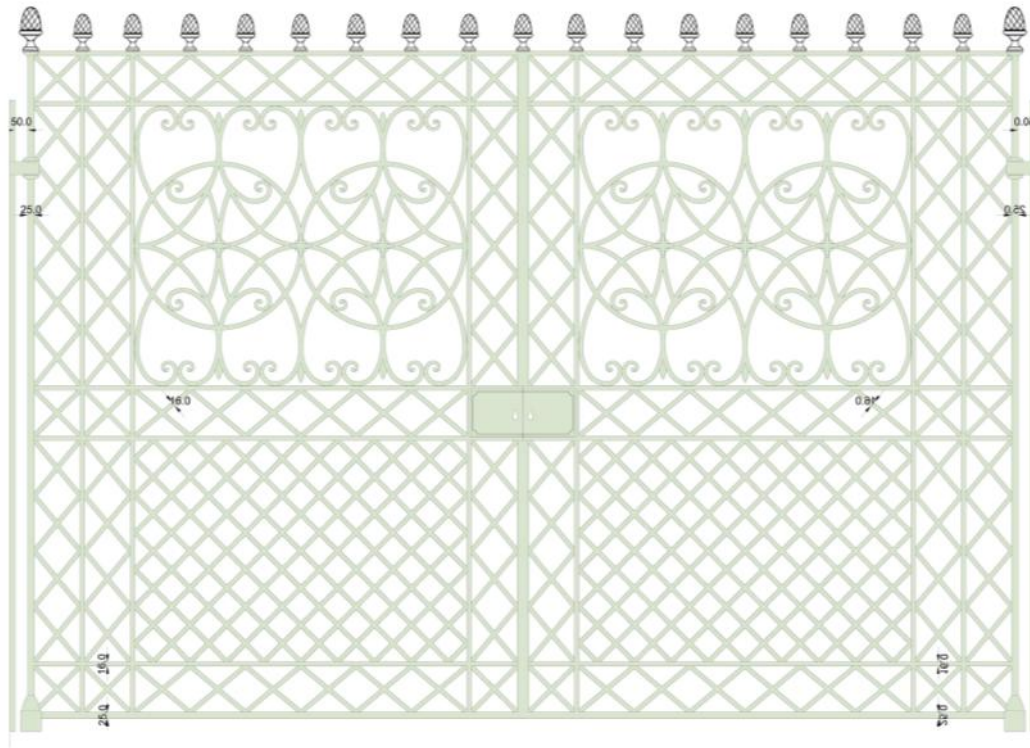

The following pages illustrate the process from design, to production and manufacture.

Peter Weldon.

Photo montage of the final design and another option.
 The gates are 13ft wide by 6.8ft high.

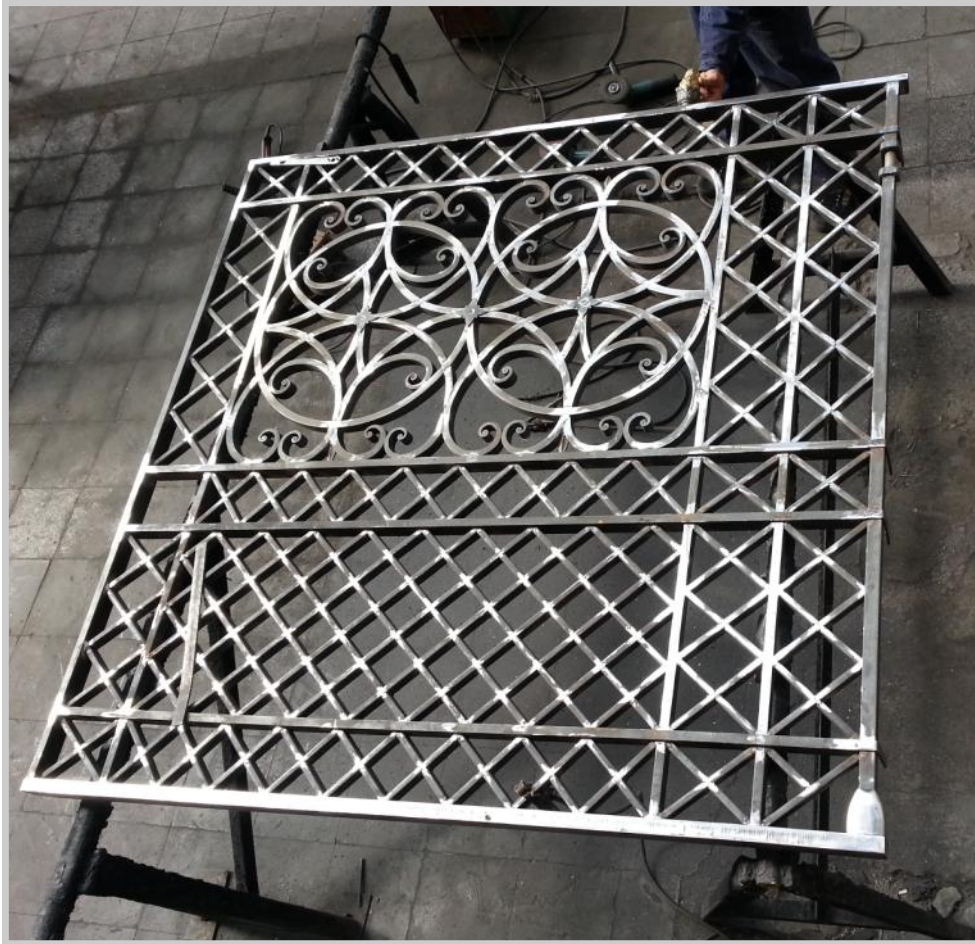

Original Dingley Hall gates.

Autocad drawing of the Dingley Hall gates.

Gates during manufacture.
